

ASTRIS

DESKS & WORKSTATIONS

Interia

The ASTRIS Range is a very modern system that will suit any office environment.

The system is modular and highly configurable to ensure optimum use of your valuable office space.

The range can be finished in myriads of colour options and can be combined with several screen, storage & soft wiring options to create a tailored solution.

Features:

- Available in desk and work bench options
- Dynamic workspace options
- Easy Assembly
- Desktops available with scallop edge or cut out for grommet and wire management
- Privacy options with multiple screen designs
