# DESIGNERS

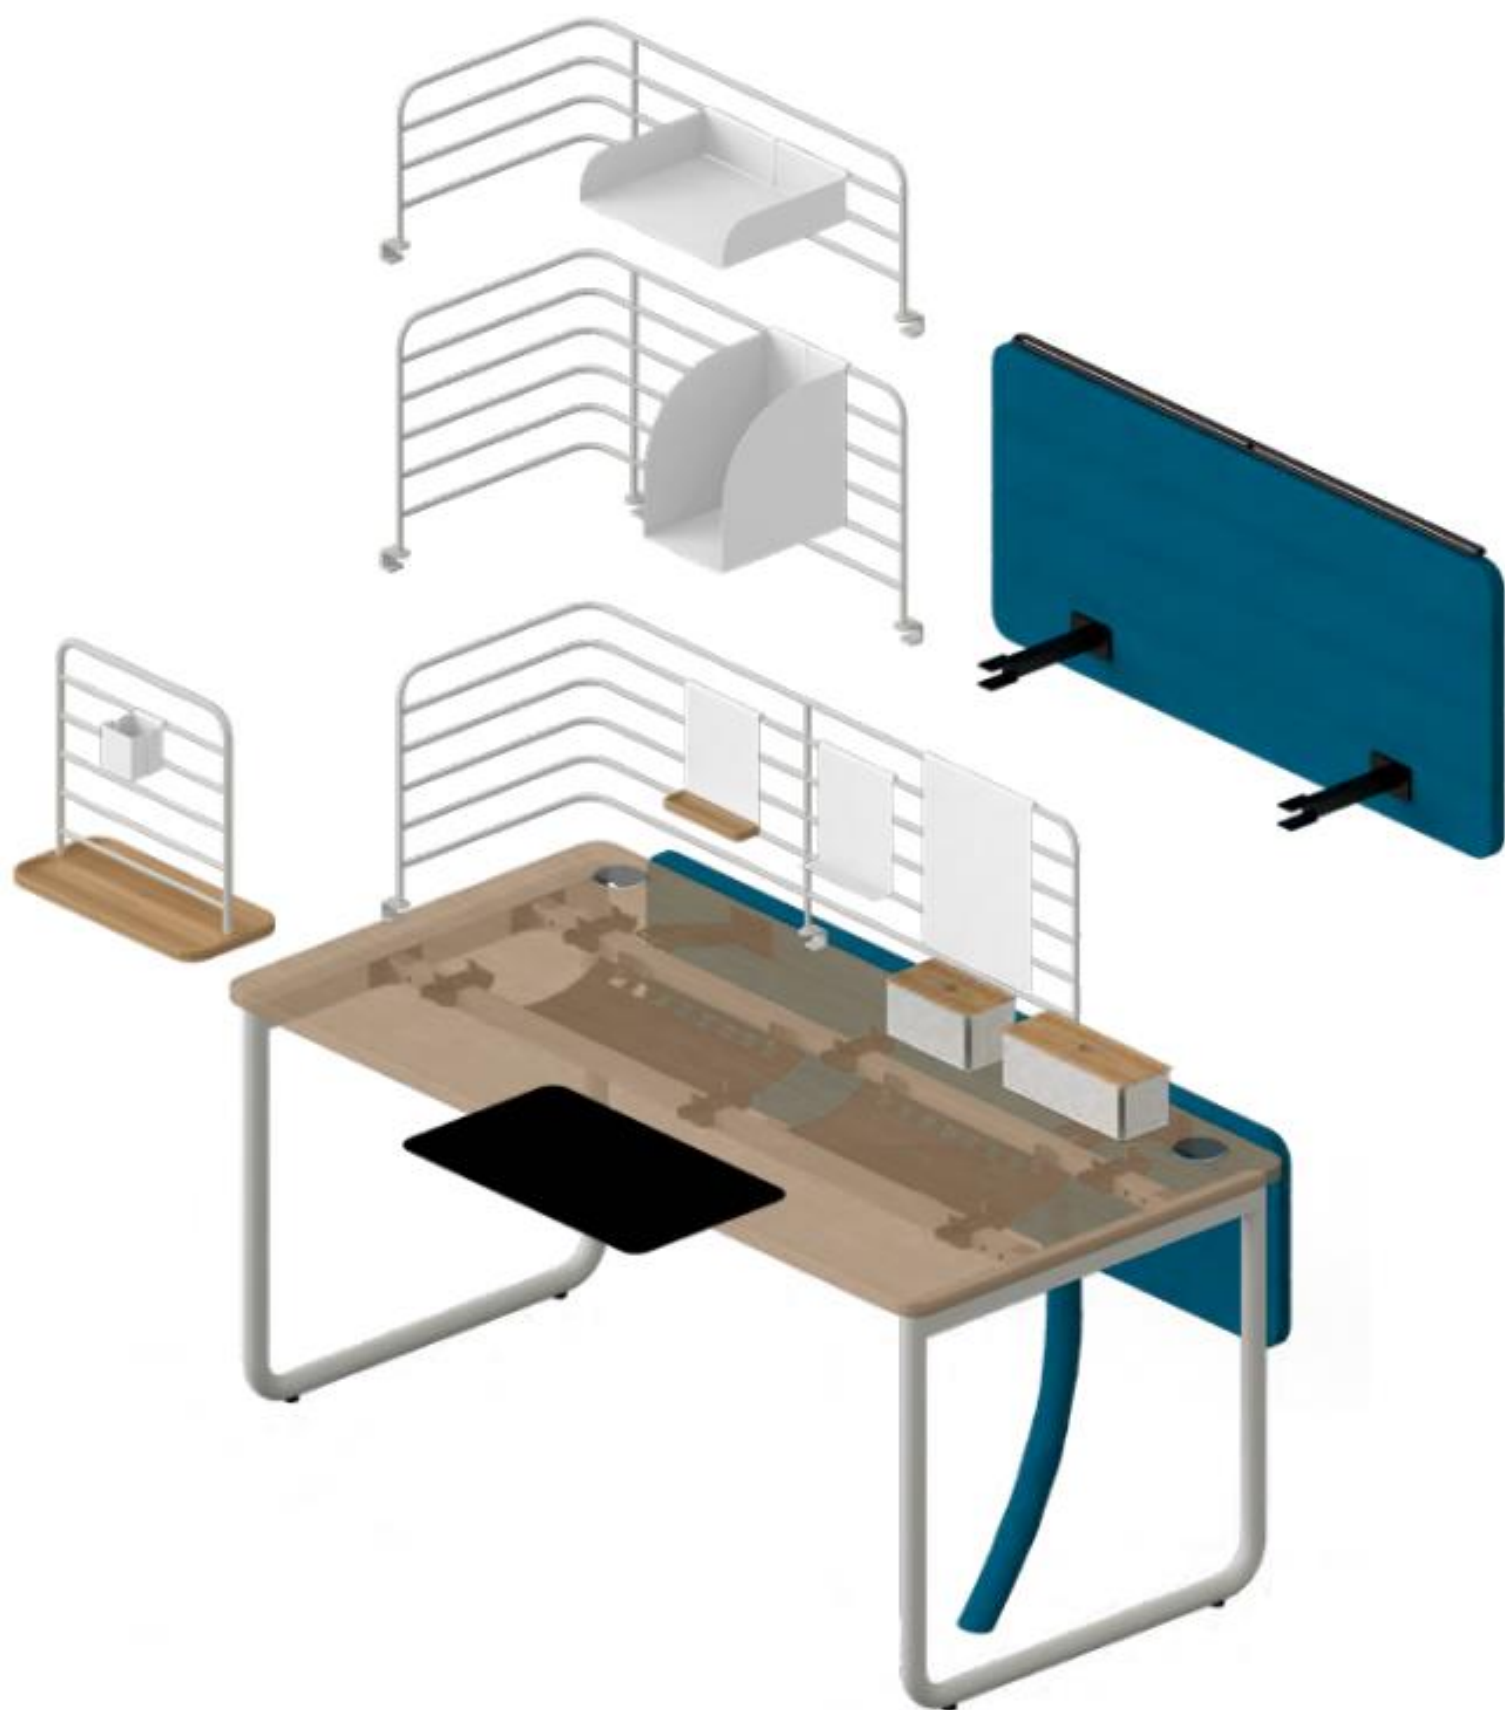

## Gernot Oberfell, Jan Wertel

World-famous designers, Gernot Oberfell and Jan Wertel, are known for combining art with functionality.

Oberfell and Wertel began their career working with Ross Lovegrove, a master and designer of the Apple iMac, for many international clients. They both studied industrial design in Stuttgart.

## DESCRIPTION

The PLAY & WORK system is the best solution for a modern office.

This collection has a broad array of options to accommodate all office spaces.

- Fixed and adjustable workstations.
- Soft seating solutions.
- Customizable
- Functional accessories
- Upholstered panels

LEAD TIME: 12-16 WEEKS

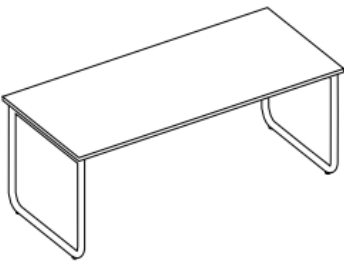

## **PLAY & WORK SOFT SEATING OPTION**

Ideal workspaces are those where people feel free to move around, don't feel tied to their desks, and create more opportunities for creative collaboration.

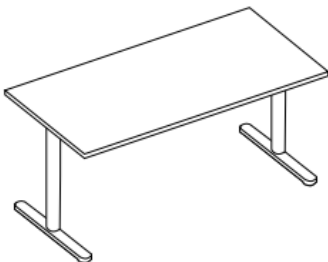

That's where the PLAY & WORK spaces like ours become effective whilst still allowing for privacy, collaboration, and networking.
