# MAKE YOUR WORKSPACE MORE DYNAMIC

Opportunity to mix and match a perforated metal sheet in different colours, melamine and upholstery to create different, original and innovative furniture and the style you want.

“

*The idea arose from the need to have a dynamic workspace and to break free from orderly office schemes. It has been designed to fit in all those spaces that need to be modified on demand.”*

Baldanzi & Novelli designers

# ACCESSORIES

## Convenient power solutions

The cable tray and well-thought-out placement of the power socket and power cord outlet ensure that convenient access to electricity

Hooks, shelf or side panels for additional functionality.

Using these accessories, you will be able to conveniently store things or create more private spaces

A metal frame that is robust, durable and easy to clean. Its shape is simple.

Large castors are an integral part of the design, ensuring the mobility of this piece of furniture and enhancing its unique image.

# TRIPLE FUNCTIONALITY

It consists of a single frame that can perform three different functions: that of a conference wall, a temporary workplace and a shelf.

According to Baldanzi & Novelli designers, it is neither a bookshelf, nor a desk and nor a cabinet – it is all these things in one piece of furniture and more.

Choose one of the pre-made base models and change the elements to create a piece of furniture that best meets your needs.
