# ZUZU

## Available

The ZUZU saves space by providing a surface, a seat, and a storage compartment in one unit.

The table houses the stools underneath the desktop, and the stools have a niche that incorporates your personal belongings.

# XENA

**Available Early 2023**

XENA is an inspiring and flexible desk system featuring distinctive design with carefully selected and colourful accessories that will help you create workplaces with a unique character.

# FOKUS

## Available Early 2023

FOKUS can be used as a mobile conference wall, writing board, temporary workstation, shelf or a room divider, exactly where you need to place it.

Different materials and colours are used to create the look and feel that you want.

# LATTICE

**Available 2023**

These shelves reflect a contemporary industrial, urban design. Not only do they offer a well thought out, versatile functionality, but they can also become a recognisable cornerstone of the office design.

The modular storage system allows you to shape and redistribute your office space.

# GRID

## Available 2023

The number, layout and size of the cabinets and other storage spaces vary according to your individual office needs.

“Valchromat” panels, PET felt and openwork metal give the storage system even more design, colour and functional options.

# ALBA

## Available Mid 2023

With their captivating colour range, these stools are perfect for curated and modern spaces in waiting rooms and break areas.

The playful, youthful design creates positivity and goes hand in hand with the chair's versatility. It's quick to assemble and easy to carry, so it can go wherever you need it.

# ACOUSTIC ARTWORK

## Available Mid 2023

The ACOUSTIC ARTWORK collection has been expanded with new prints in-spired by nature and calmer colours – all made from 50% recycled and 100% recyclable PET felt.

There are also brand-new ceiling solutions that will not only help to muffle sounds in the office, but also act to conceal the utility equipment on the ceiling.

# HYDRA MULTIPURPOSE

## **Available Mid/Late 2023**

Providing a space for both formal and informal meetings. The colourful rounded metal leg, with its distinctive design, adds a bright new colour and mood to a workspace.

Accessories such as a TV monitor or writing board, shelves and flower holders add even more functionality.

# ELLA

## **Available Mid/Late 2023**

A wide family of sofas, armchairs, task and meeting chairs allows you to break away from the standard office image and give it that much needed feeling of home.
