Vende

The all new multifunctional VENDE Ottoman has a removable lid to keep things easily accessible while hidden out of sight. The lid turns into a stylish oak table top when flipped, which can be used as a side coffee table or a holding surface for mobile devices. Practical, contemporary and elegant, the VENDE Ottoman is the perfect addition to any working space!

It allows for plenty of versatility in styling – easily move around due to it's light weight, add a splash of colour to soften the atmosphere and choose from a wide array of upholstery options!
