Arc

Folding Table

2 - 4 Week Lead Time

Arc

Our Arc Folding Table offers a sleek design and a perfect option for a space that needs versatility. Designed with telescopic beams and varying foot profiles it allows for ease of adjustment, customisation and fast installation whilst maintaining a contemporary look.

To ensure ultimate flexibility we use a latch release system that enables a range of table overhang that can be changed at time of installation. The foot remains at an 180° angle so that the tables nestle together tightly to minimise storage space.

Features

- Fixed Height Folding – 2 Leg Frame
- Narrow and wide foot profile, fixed 180° angle with heavy duty castors
- Base Colours: Black Texture or Pearl White. Other custom colours available on request
