Core Workstation Range

Our Core Fixed Height Workstation Range is a modern system that will suit any office environment. The systems are modular and highly configurable to ensure optimum use of your valuable office space. The range can be finished in myriads of colours options and can be combined with several screen, storage & soft wiring options to create a tailored solution.

This range is also a sustainable choice, featuring an Environmental Product Declaration (EPD) and Australian Made, PEFC™ Certified Desktops. Manufactured by a SEDEX® Certified Desktop Manufacturer who partners with Carbon Neutral to offset emissions, it supports environmentally responsible practices while delivering exceptional quality.
